

ARMENIAN DEMOCRAT LIBERAL PARTY

London “Mihran Damadian” Chapter

PRESS RELEASE

The London Chapter of the Armenian Democrat Liberal Party read with absolute horror about *Azerbaijan's* naked and perverted aggression against the Armenian people of *Nagorno Karabakh*.

Categorically and unambiguously, we join the co-chairmen of the *Minsk Group* – Ambassadors Igor Popov of Russia, James Warlick of the US, and Pierre Andrieu of France – and strongly condemn the use of force and regret the senseless loss of life, including civilians and children. Furthermore we reiterate that there is no alternative to a peaceful negotiated solution of the conflict and that war is not an option.

We express our deepest condolences to the families of the civilians and the soldiers who have lost their lives as a result of the unprovoked Azerbaijani aggression, and appeal to all to support the people and the Government of the Republic of Karabakh.
